AARDVARK HABANERO HOT SAUCE

Learn what dive bar denizens and DIY chefs alike have known for years: THIS is the one sauce to rule them all. The leader of the gang. That goes on anything and everything. Mild, sweet tomatoes and carrots melded with spicy habanero peppers. Perfect balance, baby. It's the People's Hot Sauce. *Pour it on!*

SERRABANERO GREEN HOT SAUCE

A *delicious* blend of serrano and green habanero peppers (plus onions, tomatillos, and super-secret spices). This is a flavor-forward green hot sauce that delivers tangy, lime brightness and a perfect burn that won't melt your face. It's an instant classic that's sure to become your go-to table sauce.

SMOKY AARDVARK CHIPOTLE-HAB SAUCE

What do you get when you mix the smokiness of chipotle peppers with the spicy sweetness of habaneros? All the flavor and fun you expect from Aardvark! Put it on your tacos, add it to your eggs, or use it as a sassy alternative to BBQ sauce. Be unexpectedly inspired!

RED SCORPION FIERY HOT SAUCE

This scorpion has a sting! The burn is right up front in this sauce that's reminiscent of sriracha – but hotter *and even tastier*. We don't sacrifice flavor for heat. Roasted tomatoes, carrots, and the fermented sharp sourness of scorpion peppers make for sizzling oooh-mami. Let your mouth be your guide.

AARDVARK REAPER SMOKED HOT SAUCE

Reaper heat meets Aardvark flavor. We combine spicy, smoked reaper peppers with applewood smoke and fire-roasted tomatoes. The result is a sauce that's intense, surprisingly addictive, and utterly Aardvark. Treat your tastebuds to the happiest of burns. *Hello, endorphins!*

DRUNKEN JERK JAMAICAN MARINADE

Make the dream of instant dinner a reality with this mouth-blasting blend of habanero, thyme, allspice, garlic, onion, soy sauce, plus a nice drunken jolt of dark island rum. It's a rich, complex jerk sauce right out of the bottle, no fuss—and chicken is just the beginning. Think big.

DRUNKEN GARLIC BLACK BEAN SAUCE

This Asian-inspired marinade and cooking sauce is a delicious companion for your favorite protein and a stellar stir fry sauce. Orange juice lends citrusy notes to this sweet-meets-savory, whisky-laced, soy sauce-based, garlicky blend. Drool-worthy gourmet in a bottle, in your kitchen.

AARDVARK GREW UP AS A FAVORITE RESTAURANT SAUCE, NEXT TO KETCHUP AND MUSTARD IN DINERS, ROADHOUSES, AND FINE EATERIES.

Secret Aardvark Trading Co. was founded in 2004 by creative and culinary genius Scott Moritz. His love of travel, surfing, music, and storytelling was matched only by his passion for discovering the flavors of the world. We began hocking sauce at Portland farmers' markets. And now we're in roadhouses, eateries, and groceries nation-wide and in seven other countries, proudly gracing tables where the food matters, but the décor might not.
